To ensure that other families across the district get the opportunity to enjoy Playing Out as you are today, it is very useful for our central group, Playing Out St Albans District, to be able to use photographs of Playing Out sessions. To do this we need parental consent for any under 18's. If this is OK please complete this form.

Playing Out St Albans District is part of the local charity Sustainable St Albans. **I give permission for Sustainable St Albans and its sub-group, Playing Out St Albans District, to use photographs that include my child for the purpose of evaluating and promoting Playing Out activities in printed media and online. I understand that my child will not be named in any material.**
