Between:

- 2.00pm and 5.00pm

Will be closed on:

- Sunday 15th December 2019

Between:

- 2.00pm and 4.00pm

Please give details of what consultation you have done with your street so far with regard to Playing Out?

At first I sent an email to a list of people on the street who have been involved in past street parties to see what their thoughts were on the idea. Following this, I sent out a letter in March to everyone on on X Road plus the small cul-de-sac off it (Z Road) informing them about the Playing Out scheme and our wish to apply to close the road for some sessions. We have also sent a letter to a house with a garage on the street. The letter also Invited everyone to a meeting in early April and gave contact details of my name, number and email to send any concerns or feedback.

We had one person with some concerns and questions which have been clarified and support has now been given by her to go ahead. In addition, we have received more than 10 responses of support and encouragement.

I have since sent another email to a wider list updating them on the response from the meeting and making them aware of my submitting this application and requesting a volunteer deputy. If successful, I will plan to send out another letter to the street with the decided dates and a stewarding sign-up. I will also make posters to hang around the street advertising our planned playing out sessions.

Please attach the map *

What arrangements have you made for the erection and supervision of barriers and signs? Do you have any additional questions in regards to this that Sustainable St Albans can help with?

We have been in contact with Playing Out St Albans District and they have confirmed they can lend us some signs. We will use bins with their Road Closed signs strung between them. We will also erect two Road Ahead Closed signs on Y Road. We will organise to have two volunteer stewards at each end of the street for the duration of the Playing Out session plus a floating steward in the middle.

Is there anything else you would like to add to your application? Or any questions you would like assistance with?
